SECOND SUPPLEMENTAL INFORMATION DISCLOSURE STATEMENT

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

Applicant requests that the Examiner initial and return a copy of the enclosed Form PTO/SB/08A to indicate in the official file wrapper that each item has been considered.

The following summarizes the status of copies of listed information provided with the instant Information Disclosure Statement:

- copies of Items A – C are attached.

Items A and B are not in the English language. Applicant believes adequate understanding of the non-English references can be obtained upon review of the drawing figures of the references and the English Abstract of Item A that is attached. However, if the Examiner believes that it might be beneficial for the Applicant to provide additional information about the non-English references, the Examiner is encouraged to notify the undersigned. The Applicant will endeavor to provide any requested additional information to the Examiner.

The references listed on the attached Form PTO/SB/08A are being submitted at this time because they were only recently brought to our attention as a result of foreign prosecution. A certification in accordance with 37 CFR 1.97(e) is enclosed.

Applicant reserves the right to establish the patentability of the claimed invention over any of the cited information and/or to prove that any purported teaching of the cited information is not enabled. Applicant also reserves the right to assert that the cited information is not available as a reference, is not prior art, and/or is not "material" to patentability. Applicant further reserves the right to assert that this citation of information does not constitute an admission of priority and/or does not constitute a waiver of any right Applicant may have under applicable statutes, Rules of Practice in patent cases, or otherwise.

This citation of information should not be construed as an admission that Applicant has an obligation to provide this information in the present application or as a representation that an exhaustive search has been made, that the information disclosed is material, that the information disclosed is, or is considered to be, in fact, prior art as defined by 35 U.S.C. §102, or that information more material to the examination of this Application does not exist. The order of presentation of information on the attached Form PTO/SB/08 should not be construed as an indication of importance of the references. Applicant requests that the Examiner conduct an independent and thorough search and examination of all pertinent art, and consider completely the information disclosed hereby, along with any other information, in reaching a determination of patentability.

The Commissioner is hereby authorized to charge any fees that may be required, or credit any overpayment to account no. 09-0528.

Respectfully submitted,

Date: 2/7/08
